Work Experience

Full Stack Developer Trainee

RG Startup - Web Solution Company-Mohali, Punjab

Full-time

July 2023 to August 2023

At RG Startup, I Gained Knowledge about Next.js, REST API integration, and MongoDB. I led key projects, including developing a custom website for chartered accountants to analyze stock market data. Utilizing advanced API functionalities, the platform provided live market data, enhancing clients' analytical capabilities and delivering real-time insights.

Awards / Achievements

Checkmate Across Borders

August 2019

Step into the world of the Inter School Chess Championship, where I proudly secured the second position on the three designated boards. Witness the thrill of strategic battles as schools from across state borders compete for chess supremacy. Experience the excitement firsthand as players engage in intense matches, showcasing their skill and determination.
